INSTRUCTIONS FOR ENTERING PARTICULARS ON THE COVER

1. Number all the pages of your assignment consecutively and make sure that the pages are in the correct order before you staple them into the assignment cover. Never use the same assignment cover for more than one assignment.
2. Give the particulars requested on the front of the assignment cover correctly, clearly and in full.
3. When submitting an assignment for a module always use the code for that module, for example

P	H	F	S	0	1	K
---	---	---	---	---	---	---

4. Write the semester code as 01 for semester one and 02 for semester two.
5. The assignment number is always the number allocated to that particular assignment in the tutorial letter or study guide. Never give an assignment a number of your own.

NOTE

1. Unless you follow these instructions carefully the University cannot accept responsibility for returning the assignment and it is possible that your assignment will not be marked.
2. Use the space on the next page to draw your lecturer's attention to any problems you experienced with the assignment.
